Sometimes we need a little help waking up, and that's where Del Sol comes in. The combination of light and medium-roasted coffees creates a dynamic cup with the sweet, pronounced acidity you need to pry open our eyes and just enough full, smooth body to prop you up. Whether enjoyed with breakfast or while running out the door, you can always count on Del Sol to start your day with a little shine.

BLACK & TAN • RICH SWEET BLEND

The black and tan has been a classic pub favorite for years. When a dark beer is poured over a lighter, brighter one, the result is a delicate balance of flavors. Our version embodies the same spirit, combining a rich, full-bodied dark roasted coffee with a sweet, clean, light roast in a blend that looks almost as good as it tastes.

HOT COCOA

We use Ghanaian cocoa beans (considered to be the best in the world) to produce a hot cocoa mix with a rich aroma and a magical flavor. It's great on its own or in your favorite drink. This is the same cocoa mix that our cafe customers have been enjoying in mochas and more for years!
