

## Policies & Procedures

# I N D O O R

### SWIM POLICIES

Currently, due to COVID-19, MSCR is not allowing spectators for any indoor programs. Information regarding drop-off and pick-up will be sent via email one week prior to lessons starting with the most current policies. Participants should come prepared to swim.

### POOL INFORMATION

Pool temperatures and maintenance are regulated by the School District maintenance departments, not MSCR. Requests have been made for varying swim water and air temperature, but some swimmers may be more sensitive to cooler temperatures, so we recommend wearing a swim cap and/or a clean rashguard.

In the event that a class is canceled, participants will be compensated accordingly.

#### EAST HIGH SCHOOL POOL

2222 E Washington Ave - Use Fourth Street entrance, Door #2

#### WEST HIGH SCHOOL POOL

30 Ash St - Use Ash St entrance, blue door near Regent St (left of main school entrance)

A portable aquatic lift is available at all MMSD High School Pools. Please call 608.204.3025 to inquire about usage.

### INDOOR CLASS INFORMATION

- Masks are required for every individual, 3 years and older, when not in the pool.
- We encourage you to join the waitlist if a class is full, as capacity may be reassessed.
- Please see the Health & Safety Policies on page 2.
